Winter Solstice Conference, December 20th 2009, Newgrange Lodge

MARTIN BRENNAN FROM MEXICO TO NEWGRANGE

Speaking in Ireland for the first time in 25 years, Brennan will reveal fascinating new insights into newly-discovered alignments in Mexico and how there are many similarities with the discoveries he made in Ireland thirty years ago.

TOBY HALL STONELIGHT - AN ASTROME GAL THALOGICAL JOURNEY

A member of the original Brennan research team - called Stonelight - Toby Hall will outline some of the fantastic discoveries made during those exciting times.

JACK ROBERTS THE ASTRONOMICAL LANDSCAPE OF WEST CORK

Another Stonelight member, Jack Roberts accompanied Martin during many of his major discoveries. He will give an introduction to some of the precise astronomical alignments of Cork's stone monuments.

ANTHONY MURPHY CARRYING THE TORCH - BRENNAN'S WORK CONTINUES

For the past ten years Anthony Murphy and Richard Moore, authors of *Island of the Setting Sun - In Search of Ireland's Ancient Astronomers*, have been making significant discoveries about Stone Age astronomy.

SIG LONEGREN EARTH ENERGIES THEN AND NOW

A dowser since his youth, Sig Lonegren has done much serious work in the field of geomancy. The author of 'Spiritual Dowsing', he will explore earth energies from the 1970s to the present day.
